# English Proficiency Program (EPP) 32 months in total

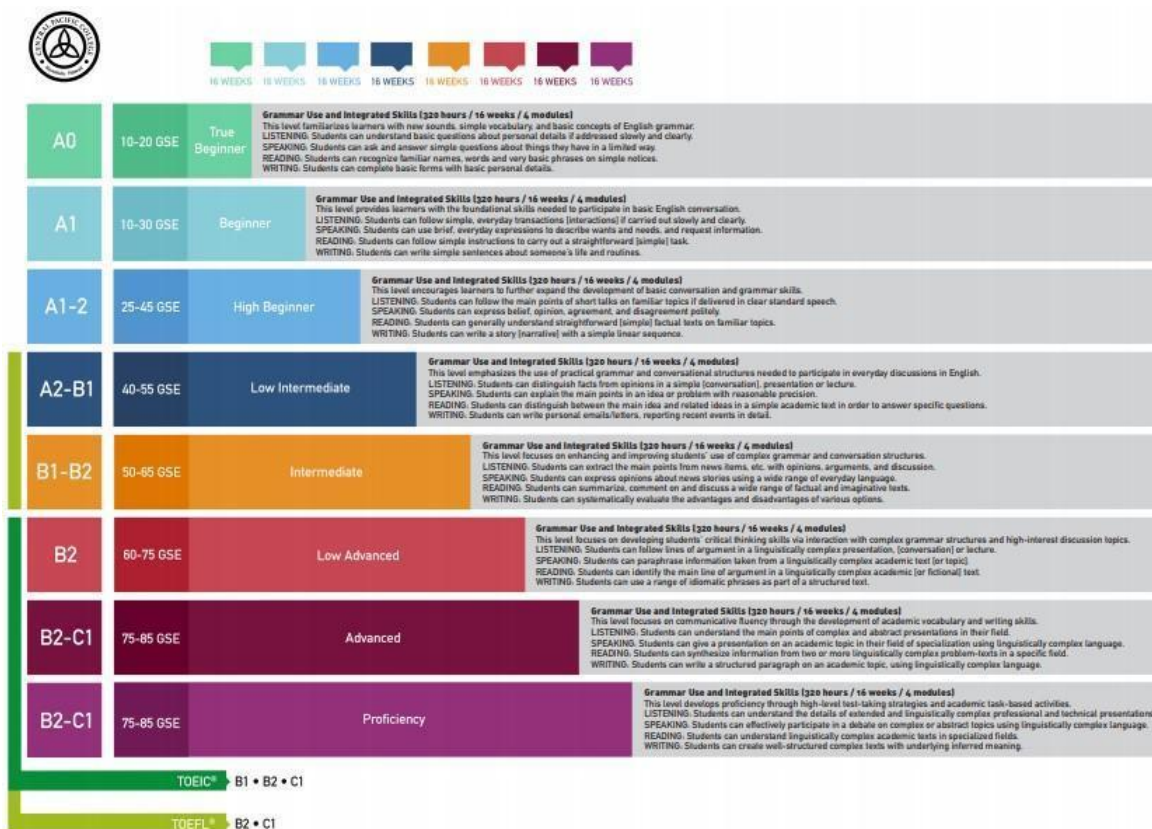

The English Proficiency Program is a twenty-hour per week program for international students with an F1 student visa. This program develops students' communicative skills and grammar to master the English language for academic purposes. Classes are Monday through Friday (four lessons a day).

The eight levels are True Beginner, Beginner, High Beginner, Low Intermediate, Intermediate, Low Advanced, Advanced, and Proficiency. The students' level is determined with their full Placement Exam (MEPT, a speaking test, and a writing test). This level determines how long a student can be enrolled at CPC with an F1 visa. When the students make steady progress they are maintaining their F1 status and can stay in the US. If students do not make progress, they are not in compliance with their F1 responsibilities.

## CPC Placement Test Score Chart

	Multiple Choice Cut Scores (2 skills and grammar) Form A/B/C	GSE Ranges for CPC Levels (4 skills)	CEFR Equivalency (4 skills and domains)
True Beginner	0-15	10-20	A1
Beginner	0-29	10-30	A1
High Beginner	30-47	25-45	A1 – A2
Low Intermediate	48-60	40-55	A2 – B1
Intermediate	61-74	50-65	B1 – B2
Low Advanced	75-84	60-75	B2
Advanced	85-100	75-85	B2 – C1
Proficiency	100	75- or higher	B2 – C1

Each student can make progress at their own pace in relation to the Global Scale of English. In that way, all the skills that a student develops can be shown at any time. Students are instructed and evaluated in terms of what they can do. That is why CPC has a Can-do Curriculum.

Many students begin at different levels and stay for varying numbers of weeks. Therefore, everybody's time of study varies. If you make faster progress, you can take an Achievement Test to move up faster. Students may be enrolled at CPC for a maximum of three years (This excludes vacations and LOA periods) regardless of the programs that they take.

If a student needs more time to make progress, they can repeat a full level once to get a better grade or to be more confident. If the student needs to repeat a level twice, CPC needs the student to be on probation.

## **Can-do Goals per Level**

Each level has specific goals that students should meet. These are benchmarks that will allow them to succeed in an academic and professional setting.

### **True Beginner Level - Grammar Use and Integrated Skills**

This level familiarizes learners with new sounds, simple vocabulary, and basic concepts of English grammar.

### **Beginner Level - Grammar Use and Integrated Skills**

This level provides learners with the foundational skills needed to participate in basic English conversation.

### **High Beginner - Grammar Use and Integrated Skills**

This level encourages learners to expand the development of basic conversation and grammar skills further.

### **Low Intermediate - Grammar Use and Integrated Skills**

This level emphasizes the use of practical grammar and conversational structures needed to participate in everyday discussions.

### **Intermediate - Grammar Use and Integrated Skills**

This level focuses on enhancing and improving students' use of complex grammar and conversation structures.

### **Low Advanced - Grammar Use and Integrated Skills**

This level focuses on developing students' critical thinking skills via interaction with complex grammar structures and high-interest discussion topics.

### **Advanced - Grammar Use and Integrated Skills**

This level focuses on communicative fluency through the development of academic vocabulary and writing skills.

### **Proficiency - Grammar Use and Integrated Skills**

This level develops proficiency through high-level test-taking strategies and academic task-based activities.

## **Making Satisfactory Academic Progress Policy (EPP)**

To comply with their F1 Visa guidelines, students must adhere to the following:

1. Maintain a cumulative GPA of 80% (3.0). to make adequate academic progress. To pass a level students with grades between 75% and 80% move up to the next higher level if their instructors recommend that they are ready.

2. Attend 80% (or higher) of classes per term and cumulatively across all terms (see Attendance Policy). Students who fail to achieve the minimum cumulative GPA necessary to move to the next academic level will be notified of their failure. They must retake from one to four modules (repeat the level). The student meets with the Director of Studies before starting the module to work on a study plan that will enable the said student to make satisfactory progress. Students who fail to make progress above 80% a third time will be dismissed from CPC.

Students can take the achievement test to move up a level at the end or beginning of each module if they wish to do that. They need to schedule the test in advance.

## Assessment and Evaluation (EPP)

Each term, both instructors meet individually with all EPP students to discuss their personalized learning plan for 5 minutes during the first weeks and after the midterm (weeks 8 or 9).

EPP students will receive their previous term grades at the beginning of the term, and a copy of the report will be placed in their file.

Students will complete their weekly assessments usually on Fridays, take midterm and final tests, and complete independent projects depending on the syllabus. For students who are unable to do their weekly assessments, they must inform their instructors or the Director of Studies. Makeup assessments or exams will only be administered by the instructor or Director of Studies to students who have a valid reason for missing their work (e.g., sickness, travel). Proof must be provided to the academic staff before starting any makeup assignments (e.g., doctor's note, plane tickets, etc.). Students who miss exams or weekly assessments without a valid excuse will be given a zero.

## Daily Student Participation

An important part of the learning process is participating in pair and group activities, asking questions, and contributing your opinion on different discussion topics. For each class, EPP students are given an excellent (2), good (1), or no (0) participation grade.

Participation Score	Scoring Guidelines
0	<ul style="list-style-type: none"><li>● Student is absent.</li><li>● Student makes no effort to participate in class.</li></ul>
1	<ul style="list-style-type: none"><li>● Student makes an adequate amount of effort to participate in class by occasionally engaging in class/pair discussions, asking questions, putting forth opinions on a given topic and completing in class assignments/projects.</li><li>● Student uses English for an adequate amount (at least 50-60%) of class time.</li></ul>
2	<ul style="list-style-type: none"><li>● Student makes a substantive effort to actively contribute to class and group discussions by asking questions, putting forth opinions that engage other students to think critically, and completing in class assignments/projects.</li><li>● Homework for the day has to be presented at the beginning of the class.</li><li>● Student uses English for a large majority (at least 80%) of class time.</li></ul>

## Homework

All EPP students must do daily homework to earn credit for their grades. If there is no homework assigned, all students can review what they studied in class and bring questions to the class. Your instructor will check whether you did your homework or not. If you did, you get the homework point for the day. If there was no homework, the instructors will ask you and confirm that you reviewed the previous class.

## Weekly Assessments

All students will complete a Weekly Assessment. It is very important for the students to reflect on how they did during the week. Instructors will choose two goals for that week that they want their students to focus on. The goals are connected to the unit and set goals for the week (based on the syllabus). Then students will choose two things they learned or improved on. They will also give examples using the item they learned. Based on how the instructor thinks a student does on the goals and exemplifying what they've learned, will determine the score that a student gets (see criteria below the chart). Check your syllabus for more details.

## Exit Surveys

All **completing students** must take an **exit survey** before leaving CPC. The exit survey will allow the student to evaluate such areas as curriculum, instructors, facilities, student services, housing (if applicable), and administrative staff. The office assistant will notify the completing student of the dates/times that are available for taking the exit survey.

## Completing a Level Using the Modular System

All students must complete a level (four complete modules = one term) to move to the next level. Completing a level is defined as having completed all required coursework (four full modules), receiving a minimum GPA of 3.0, and attending a minimum of 80% of scheduled class hours. The sequence of the modules might be different for each student. Below is a table which describes the Global Scale of English (GSE) ranges, their corresponding CPC level, corresponding textbooks and the corresponding modules needed to complete the level.

GSE Ranges	Levels	Textbooks	Modules for Completion
A0 10-20	True Beginner	<i>Focus on Grammar 1</i> <i>American English File Starter</i>	4

### Examples of Student Schedule for Term Completion

To pass a level, follow one of the sequence of modules. These are examples for how you advance through a level at CPC.

**4 1 2 V 4 PASS or 4 1 2 V 4 1 2 3 4 PASS**

Other possibilities for extension can be discussed on a one-on-one basis. Medical Leaves of Absence might be considered valid to repeat a module or modules.

### **Achievement Test**

Students can take the Achievement Test at any time in an effort to move up a level. CPC encourages students who are interested in moving up, to take the Achievement Test. If you are interested in taking the Achievement Test, please schedule an appointment with the Director of Studies.

### **Certificate of Completion**

After students complete their course of study they have the ability to request a certificate of completion for the program they have completed. A Certificate of Completion is only given upon request and may have a \$5 printing fee. Digital copies are available at no cost to the student.

### **EPP Grading and Advancement**

Students will be graded in different areas: Attendance, Participation, Weekly Assessments, Midterm and Final Exams, as well as projects. Adequate progress through each level requires the students to achieve a cumulative GPA of 3.0 or 80%. Students who fail to achieve a cumulative level GPA of 3.0 (80%) will be notified by the Director of Studies of their failure to adequately complete the level. They have the opportunity to repeat a number of modules or the level.

A failed level may be repeated a maximum of two times with the approval of the Director of Studies as well as an academic difficulty form from the student. If the student needs to repeat for a third time, they must complete another academic difficulty form. The Director of studies will then collect difficulty forms from their instructors as well as meet with the student to devise a study plan to ensure that the student makes progress towards the next level. Students who fail to make progress a third time will be automatically dismissed from CPC.

Also, there might be an event in which students feel they want to move up, but their instructor thinks it's best for them to repeat. In that event the instructor can fill out a difficulty form and their opinion and form, if valid, will take precedence.

<b>Grading criteria</b>	<b>% of grade</b>
Daily Participation	20 %
Homework	5 %
Weekly Assessments	20 %
Midterm Exam	25 %
Final Exam	25 %
Weekly/Term Project	5 %

<b>Course grade</b>	<b>GPA</b>
A (90-100)	4.0
B (80-89)	3.0
C (70-79)	2.0
D (60 & below)	1.0

In some cases when the number of students makes it hard to open a class per each level, all students can be placed in bilevel or multilevel classes. CPC will monitor and track their individual progress towards their level goals. In that way, all the students can maintain their responsibilities as F1 students.

## **Bilevel or Multilevel Classes at CPC**

### **Instruction to reach your level Can-do Goals**

At times classes may have a combination of suitable levels with the same instructor covering the same content. The instructor is trained to provide content and language skills that can be covered in a multilevel setting. Within these classes, students will be assessed on the Can-Do goals according to their English proficiency levels. When levels are combined the textbooks provided to such groups of students will be the mutually acceptable textbook for each level (e.g. True Beginner & Beginner combination level using *Focus on Grammar 1* or Advanced and Proficiency levels using *Focus on Grammar 5A*).

In cases when levels are combined, students will have their weekly assessments, projects, and exams correlate with the objectives or can-do goals of their unique level. Day-to-day activities and homework assignments may be the same or similar depending on students' level. The instructor will use their evaluative skills to determine the abilities of the student to complete such assignments. Instructors may also divide up pair or group work or projects by levels, or they may choose to combine individuals based on levels. This is up to the instructor's discretion. The instructor will meet with students individually to discuss independent can-do goes to help aid

Classes are usually combined to provide students with enough peer classmates to have an adequate amount of peer interaction, communication, and attention so that CPC may fulfill its vision in providing a space for multicultural communication among all of its learners.

## **Attendance Policy**

All students must attend **all** classes so that they can make adequate progress (a minimum of 80% cumulative attendance per term and across all quarters for VISA purposes). Please refer to the example below for information on maintaining student status.

Instructors will take attendance at the start of every class, and will follow the below guidelines:

- 9:00-9:05: Present
- 9:06-9:10: Tardy/Late (Being late three times counts as one absence ).
- 9:10 < : Absent (for SEVP and ACCET compliance). You can still attend class; however, the gradebook will be recorded as absent.

Students who leave their classroom for twenty-five minutes or more or leave class twenty-five minutes or earlier will be marked as absent for the entire class (unless they have a medical reason or emergency).

- Students will not be allowed to enter class twenty-five minutes after it has started.
- Students who have accumulated ten consecutive days of absences with no proof or excuse notice will automatically have their I-20 terminated.
- Students who accumulate more than the maximum number of absence hours allowed per class will have their I-20 terminated and will have to leave the United States **immediately**.
- For students who extend their program in the middle of the term, the number of absences allowed will be recalculated from the point of extension.

## **One-on-one Meetings with Instructors**

Twice a term (beginning and middle) via email students are notified that they can meet with their instructors (at any time) to discuss their academic goals and tips to help them with specific skills they feel may be weaker than others. Students can also discuss how they feel about the class or anything else having to do with their English learning. These meetings are about 5 minutes. We want students to leave feeling that the meeting benefited them in some way. We also know learners need to discuss at their own pace. For those reasons the meeting is voluntary. Alongside that, students are told during their orientation about these meetings. In addition, you will have an Individual Consultation Meeting with the Director of Studies to discuss any questions or concerns you may have about programs, classes, or your visa status.

## **Changing Class Levels for New Students**

- Incoming students who receive a placement score, putting them between levels (for example, High Beginner and Low Intermediate) can start in either level depending on their level of confidence or where their objective (and in some cases their speaking tests) fall.
- If they feel that the level is too challenging, they may request to move to a lower level within the first week of class or vice versa. The Director of Studies will review their placement test scores.
- Students who have achieved a 'solid' placement test score (for example, an average rating equivalent to Low Intermediate) and their instructors confirm that the students are placed correctly will be advised to remain in the level and to consult with the instructors for additional assistance and to increase their self-confidence.

## **Changing Class Levels for Continuing Students**

- EPP continuing students may ask their current instructor permission to change levels during the first or last week of each module. The current instructor notifies the Director of Studies who consults with the student's previous instructors. At the instructors' recommendation or the students' initiative, all students can take the Achievement Exam for the term they wish to skip one time each term. The student must receive a score of 80% or higher to move up levels. Please check with the Director of Studies for further information.

## **Changing Class Times**

Students may change their class time from morning to afternoon and vice-versa, with the understanding that they will also be changing their program (EPP to the Conversation Program). They may only change their class time once per term.

## **Leave of Absence Policy**

A leave of absence is defined by CPC as time away from studies. We categorize these absences as: Vacations or personal leaves such as Medical, Family Emergency, or Service. If a student wishes to take a leave of absence but not be terminated from CPC, the student must request the leave of absence in writing at least within the week before their vacation start date (for those who wish to take vacation). For personal leaves a written request must still be submitted. However, due to the unpredictability of the situation, students must notify CPC personnel when something comes up and a request must be submitted (in person or through email) within 3 days of notification. Depending on the nature of the personal leave, CPC may consider extending when the student submits their request (e.g. severe medical situations/illness). The student must sign and date the leave of absence request, specify the reason for the leave, and indicate the start and end dates of the leave. If a student takes a leave of absence without providing the required documentation, the student will be terminated from CPC.

In any 12-month period, the Maximum Leave Of Absence Allowed is determined by the program a student is enrolled in at the time of the leave of absence (as listed in the chart above). Note that these maximums only apply to students enrolled in the full program (e.g., 36 weeks of TOEFL). A student enrolled under an F-1 visa may be granted multiple leaves of absence for a maximum total period in accordance with: (a) the written leave of absence policy of CPC; (b) the regulations of the Department of Homeland Security; and (c) sound educational and professional practice.

If a leave of absence is 12 weeks or fewer, the student's previous records will be considered when calculating the completion of that particular program. If a leave of absence is more than 12 weeks, the student will be administered another placement test to ascertain proper placement, and the student will be treated as a new enrollment. Failure to return to a student's course of study after an approved leave of absence will result in termination from the school. An approved leave of absence may be extended for an additional period of time provided that the extension request meets all of the above requirements, and the total length of the leave of absence does not exceed a maximum limit of 50% the program length.

## **Vacation (LOA)**

In addition to the regularly scheduled holidays or breaks, a student, if qualified, may take a vacation lasting 4 weeks. To qualify for a vacation, a student must enroll for the next module AND must have completed a minimum of 4 modules prior to taking the vacation. When submitting the request for personal leave of absence, the student needs to register another term.

Students also have the opportunity to take an 8 week or 12 week vacation (maximum is 12 weeks). This can happen if a student does not choose to take vacation after their 4 module stint. For example, if a student completes 4 modules they can take a 4 week vacation. However, if a student is at CPC for 8 or more modules and does NOT take any vacation during those 8 modules, they can choose to take an 8 week vacation as the other vacation weeks carry over to the next period. This is the same process for a 12 week vacation as well. So, a student can save all of their vacation time over a period of 3-4 module blocks as long as they are enrolled in at least 13 modules (students must come back from vacation). Again, the maximum amount of weeks a student can accumulate is 12 weeks.

## **Medical/Family Emergency/Service Leave of Absence**

Students may also take a leave of absence due to a documented health reason or family emergency. Satisfactory documentation shall be from a verifiable source other than the student and can include a note from a health care provider, a military order, or a study abroad contract. A student will be permitted to take their leave of absence for the number of days specified by their medical provider in the leave of absence request. After these dates have passed, the student will subsequently be required to resume their studies on the following day of class, as per the CPC Academic Calendar.

## **Other CPC Programs**

## **I-20 Meetings**

Every term, EPP students with an F1 visa will meet with the Director of Studies to confirm the information on their I-20 is up to date and discuss their academic status and future plans to study in the United States.

## **Requesting to View Information from Student File**

Students may request access to information from their student file from the front desk staff.

## **Dismissal Policy**

A student will be dismissed from school for the following violations:

- Violation of the student code of conduct

- Violation of the attendance policy
- If they become a risk to students, teachers or staff

## Attendance

CPC requires that international students attend twenty hours of class per week. Students must attend classes every day and bring all relevant school materials (i.e., textbooks, writing utensils) every day. Instructors will take attendance daily at the start of the class. Students must maintain at least 80% attendance per term and cumulatively across all terms. Accumulating less than 80% attendance per term will result in a terminated I-20. Please see the Attendance Policy for more details.

## Participation and Homework

Active participation in class is assessed by regularly completing assignments, homework, midterm and final exams, and projects. Your teachers will assess your participation daily, check your homework, and this will serve as part of your total course grade.

## Respect

Respectful and appropriate behavior is expected toward classmates, teachers, and staff. Bullying or harassment (physical/verbal) in class or on school premises towards anyone **will not be tolerated**. Students who are caught doing so will be automatically dismissed from CPC and will have their I-20 terminated.

## English Only

To enhance the students' learning experience while studying at CPC, all students are asked to follow the English Only Policy:

\* Students must speak **ONLY ENGLISH** during class and in the lounge. Students must also sign an English only Pledge while filling out their enrollment paperwork.

## Course Materials

All students are required to purchase at CPC and elsewhere, and to have the appropriate course materials ready in class.

## Copying Materials

Students are not allowed to make copies of their textbooks or exams for themselves or their peers. Copying textbooks (and other copyrighted material) is against the law. Any student caught copying material (or in possession of copied material) is violating the Student Code of Conduct and will be subjected to the full range of consequences.

## Cheating and Plagiarism

In American schools, there are strict rules about cheating and plagiarism that may be different in your home country:

- ***Cheating*** includes giving or receiving answers on assignments and tests, submitting someone else's work as your own, or using notes, books, or dictionaries for a test when these are prohibited.
- ***Plagiarism*** is copying from a book or other sources and submitting it as your work. Plagiarism or cheating on exams will result in automatic dismissal from school.

## Cleanliness

CPC wants its campus to look as clean as possible. All students must clean up any mess they have made and dispose of it properly. Please clean after yourself.

## Cell Phones

Using a cell phone to make or receive phone calls, to text, and to surf the internet during class time is **prohibited**. If your phone has access to the internet, you may use it only for class related activities, such as consulting a dictionary.

## Smoking

It is illegal to smoke inside the building. It is also unlawful to smoke in front of the entrance to CPC. Electronic cigarette smoking is banned from school property.

## Belongings

Please take your belongings home every day. Do not leave them at CPC.

## Bulletin Board

It is your responsibility to stay informed. Please check the bulletin boards daily so you do not miss any important announcements and activities. Please sign up for activities or follow posted rules.

## Food and Drink

Students may drink tea, coffee, or water in the classroom. However, it is prohibited to eat in the school during class hours. Please eat in the lounge before or after classes or during breaks.

## Extending Course of Study

To extend their course of study students need to fill out an **Intention for Continuation/change of status Form** and submit it within their last week before their last day of enrollment. The payment should also be received by the end of their old end date. Please inform the Office right away of any changes in your course of study.

## Transcripts and Academic Records

Continuing students will receive an updated copy of their transcript when they move up a level. Once they have left CPC, students may request an additional copy of their transcripts or academic records from the admissions staff in accordance with the Family Education Rights and Privacy Act (FERPA). Students can refer to §99.10, §99.11, and §99.12 of the FERPA for more information.

## Certificates

EPP students who complete their intended program with a passing grade (cumulative GPA 3.0 or higher) and cumulative attendance of 80% may request a Certificate of Participation upon request after paying a fee. If they complete the highest level in the program, they will be awarded a Certificate of Program Completion upon request. If students shorten their original enrollment, they are not eligible for a certificate.

## Children Policy (Students with Children)

Any CPC students who have children are allowed to bring them to CPC **with previous authorization** from the Director of Studies/Managing Director. You must notify CPC ahead of time if you plan to bring your children to CPC. You may bring your children to CPC if there is an emergency or situation when you have no other alternative. **CPC staff cannot supervise children** while you are in class. Therefore, CPC is NOT responsible or liable for anything that may occur with your child(ren).

## Natural Disasters

If CPC must cancel classes due to the possible danger of natural disasters or other unforeseen circumstance, classes will have to be canceled. In such an event, teachers and staff will be able to provide students with possible ways to make up classwork on their own, but no makeup classes will be held for lost time.

## Refund and Cancellation Policy

Students may request a refund at any time during the program. Students must cancel their enrollment before the start of the program to receive a full refund. If a student is expelled from CPC, they may still receive a refund. Please see the CPC refund and cancellation policy form located in the Appendix for more details.

## Late Payments

### New students:

Tuition payment must be submitted no later than the first day of classes. Students who fail to submit payment by the deadline will be charged a \$100 late fee and will not be able to attend classes. After the period, students must pay their tuition fee in full along with the \$100 late fee before they can attend classes.

### Continuing students:

Tuition payment must be submitted before the start of classes. Failure to pay by the deadline will result in a \$100 late payment fee. If payment is not made before the first day of the extended period, the student will not be able to attend classes until payment is submitted.

## Student Complaint Policy and Procedure

Students who have questions/concerns or complaints about their classes or the program may consult directly with their instructors. The students or instructors will be asked to fill out an Academic Difficulty Form. The instructor will inform the Academic Program Assistant, the Senior Instructor or the Director of Studies immediately of the grievance/concern/feedback. The Director of Studies will address the issue as needed. If the Director of Studies is unable to come to a satisfactory resolution, the Managing Director will be consulted and will assist making the final decision.

Central Pacific College is recognized by the Accreditation Council for Continuing Education & Training (ACCET) as meeting and maintaining set standards of quality. It is the mutual goal of ACCET and CPC to ensure that educational programs of quality are provided. When problems arise, students should make every attempt to find a fair and reasonable solution through CPC's internal complaint procedure, which is required by ACCET, and which requires the submission of a written complaint. Note that ACCET will process complaints which involve ACCET standards and policies and, therefore, are within the scope of the accrediting agency.

In the event that a student has exercised the institution's formal student complaint procedure, and the problem(s) have not been resolved, the student has the right and is encouraged to take the following steps:

1. Complaints should be submitted in writing and mailed or emailed to the ACCET office. Complaints received by phone will be documented, but the complainant will be requested to submit the complaint in writing.
2. The letter of complaint must contain the following:
  - a) Name and location of the school,
  - b) A detailed description of the alleged problem(s),
  - c) The approximate date(s) that the problem(s) occurred,
  - d) The name and titles/positions of all individual(s) involved in the problem(s), including faculty, staff, and/or other students,

- e) What was previously done to resolve the complaint, along with evidence demonstrating that the school's complaint procedure was followed prior to contacting ACCET,
- f) The name, email address, telephone number, and mailing address of the complaint. If the complaint specifically requests that anonymity be maintained, ACCET will not reveal his or her name to CPC, and,
- g) The status of the complainant with the school (e.g. current student, former student, etc.).

3. In addition to the letter of complaint, copies of any relevant supporting documentation should be forwarded to ACCET (e.g. student's enrollment agreement, syllabus or course outline, correspondence between the student and the institution).

4. Send to ACCET

### **Student Safety Tips**

Although Hawaii is one of the safest states in the United States, please be aware that it may **NOT** be as safe as in other places. Here are a few tips that can keep your property and person safe.

- **Be aware of your surroundings:** Avoid going alone to areas that are unfamiliar or have few people around. Avoid going out late at night by yourself.
- **Do not leave bags and things unattended:** Thieves will often take the opportunity to steal things that are left alone.
- **Do not leave purses, shopping bags, suitcases, cell phones, or valuables visible in vehicles:** Thieves will often break into cars if they see such valuables.
- **Lock your cell phone with a PIN or biometric lock:** Cell phones contain valuable information which thieves can take advantage of.
- **Be cautious of who you trust:** Although most people from Hawaii are friendly and trustworthy, many criminals target tourists due to their naivete.
- **If you need help in an emergency call 911:** This number is used for crime, fire, and medical emergencies.

**Addendum for IDL Programs**

**Admissions Criteria:** For IDL Programs, admissions criteria for students are the same as for in-person programs at CPC. Please refer to “Admissions Requirements” in the Student Handbook or CPC website for more information.

**Program Completion:** For IDL Programs, criteria for program completion are the same as for in-person programs at CPC. Please refer to “Satisfactory Academic Progress (SAP)” in the Student Handbook for more information.

**Certificates of Completion:** CPC does not provide credentials upon completion of IDL or in-person programs. However, CPC does issue a Certificate of Completion to students as long as they reach a specific set of criteria. Please refer to “Certificates” in the Student Handbook for more information.

**Technological Requirements:** For IDL programs, a student needs an electronic device in order to participate in online lessons via Zoom Video Conference. CPC suggests that students use a computer with as large a screen as possible in order to view lessons in a clear manner. Other than this, IDL instructors use the Google Suite for applications, such as Gmail, Google Documents, and Google Forms, in their programs, so a student should be familiar with these applications. In addition, in order to communicate with instructors, classmates, and Academic Management, IDL students will be asked to use Gmail/Google Suite and Zoom for their respective courses.

**Delivery Methodology:** IDL programs focus on the same objectives as the in-person programs at CPC. For one, IDL programs follow the PPP (Presentation, Practice, Production) educational methodology, in which the instructor presents the lesson, the students practice the material, and the students become capable of producing language that is relevant to the target of the lesson. Also, just as in in-person programs, CPC applies to communicative language teachers where the 80:20 goal of communication is a priority. Based on this goal, instructors communicate for around 20% of the time during lessons while students are expected to produce around 80% of the communication during lessons.

IDL programs do not differ in terms of academic goals, nor in the academic resources, such as textbooks, that are used for in-class instruction. However, instead of taking place in a classroom, IDL programs are held by an instructor over Zoom Video Conference. Class hours and scheduling remain the same as they were when the classes were initially conducted at CPC campuses before the institution of the IDL format. Assessments, such as participation, assignments, and testing methods, also are identical to what is offered in the in-person format of IDL programs. However, because of the nature of IDL programs, delivery and submission of student assessments may differ from in-person programs. Some assignments, such as exercises and presentations, are done during class, just as in in-person programs. However, unlike in-person programs, other assignments, such as homework, may be submitted by students via email. For testing, some IDL programs may require students to use Google Forms/Google Docs/Google Files instead of the traditional method of physical printed exams.

Based on the online format of IDL programs, there are also some differences in terms of how instructors and students interact with each other during lessons. Pair work and group work among students in IDL programs is conducted via the Breakout Rooms feature on Zoom. Instead of using a whiteboard, as in a traditional in-person class, IDL programs make use of the Screen Share feature on Zoom and through Google Docs being on display for all students to view the notes of the instructor during the lessons. Students may communicate with classmates and the instructor through the Chat feature on Zoom or through vocal communication. Students are required to have all class materials in printed, physical form, and students are expected to have access to a stable, reliable form of Internet connection. During lessons, by using the Annotate feature on Zoom, instructors provide students with feedback and suggestions.

Instructors of IDL programs are held to the same standards as the instructors of in-person programs. Members of the CPC Academic Management team conduct observations of classes to ensure the quality of IDL programs over Zoom. Also, IDL students are provided with the opportunity to give comments, make suggestions, and offer their opinions on instructors and their IDL programs through school and class evaluations that are conducted every term at CPC. Although IDL programs are held in an online format, students may contact Academic Management, Administrative Management, and members of administrative staff for information and inquiries via email, phone call, video conference, or other messaging services.
